Dear Sir:

Reference is made to your letter dated 11 January 1952 relative to above subject.

In view of the long period of time which has elapsed since a security review has been made of the information contained in the above described patent application, it is requested that another review be made with a view toward determining whether or not the secrecy order imposed upon this application may be rescinded.

Your attention is invited to the fact that the U.S. Patent Office issued a Notice of Allowability in connection with this application on 25 November 1952.

Sincerely yours,
